

REMARKS

Applicant certainly appreciates the allowance of Claims 14-17, and the suggestions offered by the Examiner to overcome the double patenting rejection and the objections to Claims 3 and 11. Accordingly, a terminal disclaimer has been filed herewith, and the language of canceled Claims 3 and 11 has been added to independent Claims 1 and 9, respectively. A check in the amount of \$65.00 (small entity) is attached for the fee of the terminal disclaimer.

It is respectfully submitted that the present application is in condition for allowance and favorable action is requested. No fee for an extension of time or other fees are believed to be required. However, in the event that one or more fees are required, please charge them to **Bracewell & Giuliani LLP's Deposit Account Number 50-0259.**

Respectfully submitted,
